CABE 2024 Artist—Leo Tanguma

Café Sip & Paint • Student Art

Leo Tanguma, Chicano Muralist

1:30 pm – 2:45 pm
Hilton Anaheim, Room: Pacific Ballroom D

This workshop will entail Leo Tanguma’s presentation of his murals and other artwork that span over 60 years. His artwork addresses issues of cultural self-identity of Chicano and other Latinos and social justice. Leo Tanguma’s art work is located in Denver, Houston, Chicago, North Carolina, Oregon, Wisconsin and other locations. Some of his best known murals are located at the Denver International Airport (DIA). These murals address the issues of environmental abuse and the rehabilitation of the environment; the abolition of war and children of the world dreaming of peace. The DIA murals include images of children dressed in their national and folkloric costumes. These children, according to Tanguma, represent all of humanity.
